### **Reason for Assessment:**

Edit and Determine Best Organizing Solutions to Maximize Space

#### **Family Room**

- Reassess toy storage and determine better storage solution. Need to verify measurements – what needs to stay in this area and what can be kept in bedroom
- Reset game cabinets above TV and make room for family video storage
  - Basket or bin needed for family video storage
- Sort books and relocate some to other areas of home
- Find new home for Silver items in cabinet
- Have handyman build shelves to accommodate TV and game stations. Add doors to hide all. Will explain to the handyman when time comes.
- Add hardware to cabinet doors – 12 needed

#### **Kitchen**

- Add containers to the medicine drawers to separate items better

- Relocate the cookbooks – to be determined
- Go through the kitchen and reset items to the proper place
- Label all spaces in English and Spanish

#### **Laundry Room**

- Edit and decide on all cabinets, once the editing is done assess the best containers for what is needed in the space
- Remove home videos from space and put into family room in upper cabinets
- Label all items in English and Spanish

## **Cabana Bath**

- Remove pool towels and swimsuits from space and relocate to laundry room
- Move the coat rack higher to create a home for backpacks
- Possibly add shoe storage to space if needed??

## **Harry Potter Closet**

- Sort and organize all bins
- Clearly label bins
- Organize so that the space is easily accessible

## **CiCi's Room**

- Determine best cabinet solution to create a closet space for Cici's clothes.
